A RIFNL FIRST - COLOR PORTRAIT OF ENTIRE FAMILY - The above picture was taken at the home of Bob and Karla Riel on January 1, 1992, during the celebration of the first annual Riel Bowl Festival. Since it contains the entire family, each wearing their color coded family tree t-shirts, this special edition of RIFNL is copied in full color. This important picture thus becomes a permanent record of each person as he or she appeared on that date. Since there never will be another picture exactly like this one, we suggest that it be preserved by each family as a record of how we all looked at that time. In order that there be no doubts as to the identity of each member, all are identified, row by row. None of us know what the future holds, but surely there will be many important future citizens developing from within this group.

Perhaps we will see a famous scientist, lawyer, actor, actress, singer, educator, engineer, musician, politician, builder, architect, doctor, nurse, writer, businessman, executive, or who knows what emerge from this group of young children who share a common heritage and have yet to be defined goals for their future. One of the greatest rewards a parent can have, and one of the greatest gifts a child can give to his or her parents is to grow up to be a dedicated, responsible person who is a credit to the community in which he lives and a source of parental pride. Needless to say, grandparents and parents look forward to following the development of each child, in the way that best suits his or her personality. To each of you we wish the very best for the future life.

CAROL BENESCH GETS MENTOR TEACHER AWARD

It was announced recently that Carol had been selected as a Mentor Teacher by her peers at school. This means that she takes on added responsibilities, especially in the area of assisting new teachers and those having problems with their work. Actually, Carol says that she has been acting in this capacity for some time now, so official recognition is overdue. The certificate shown at the right was officially presented a few days ago at a special ceremony. Jason commented that it was rather dull, but he managed to survive the ordeal. He got his reward in the end, since Grandma and Grandpa took the whole family out to dinner at our favorite Chinese restaurant, Mandarin Plaza. After dinner the Benesch family rushed off to a soccer game. In addition to the certificate, Carol was rewarded with a nice increase in salary, which certainly is well deserved. CONGRATULATIONS, CAROL!

BIRTHDAY CALENDAR

Thee were two birthday celebrations last month. Megan and Grandma had lunch at McDonald's, and then there was a visit to the zoo. The day ended with a trip to Toys-R-Us. Michael also celebrated, lunching at Carl's, Jr. then visits to the zoo and the Science Museum. A film on the Grand Canyon was the feature attraction. The day ended at Toys-R-Us, as usual. CONGRATULATIONS, KIDS!

PACK 280 BLUE AND GOLD DINNER AGENDA

February 29th was a big night for Brett Sorem, since the Cub Scouts celebrated with a pot luck dinner and a program and awards ceremony. Dad Alan was on hand to see Brett given a sports loops award. Alan is active in the scouting program and helps out with the Pack activities. An elaborate program included songs, a sign language demonstration, an Indian dance and other skits and demonstrations. The program ended with a raffle drawing, which unfortunately none of us won, but Grandma and Grampa had a great time. The food was great, especially the shrimp cocktail provided by Jose and Francie. Grandpa and Grandma also enjoyed the ginger ale and grape juice.

A NEW RELATIVE BACK EAST

Grandpa Riel recently learned from his brother Jim, that daughter Susan was the proud mother of her first child, Alexander James Silverman. Susan is about the same age as Liz, so there was some concern over a successful birth. Although little Alex was born two months prematurely, and only weighed three pounds at birth, he is healthy, normal and doing fine, as is his mother. The proud father is Dr. Jason Silverman, Professor of History at Winthrop College, in Rock Hill, South Carolina. If anyone wishes to contact Susan, she may be reached at 2132 Wentworth Drive, Rock Hill So. Carolina, 29730.

CHRISTEN CASTRO MEETS MARIO LOPEZ

In the last issue of RFNL we carried a story on Christen Castro and her experience in the modeling competition, where she met TV star Mario Lopez. There was no space for the picture, so here it is, as promised.
