

School news 2002-2003 term

Each September we publish the status of all the kids in the education process, and here it is for the coming year.

Kevin Riel	Graduate	SDSU
Michael Riel-Mehan	Senior	UCLA
Jason Benesch	Senior	UCSB
Chris Riel	Sophomore	Mesa JC
Nathan Riel	Sophomore	Mesa JC
Michelle Hartman	Senior	SDSU
Tim Riel	Sophomore	SF City College
Brett Sorem	Sophomore	SDSU
Jessica Benesch	Sophomore	UCSC
Craig Hartman	*See below	Mira Mesa JC
Kristy Gillingham	Freshman	USD
Megan Mehan	Freshman	
Curtis Hartman	Freshman	SDSU
Dustin Benesch	Senior	Patrick Henry HS
David Gillingham	Junior	Francis Parker HS
Scott Hartman	Senior	Francis Parker HS
Bryce Sorem	Senior	Scripps Ranch HS
Katy Riel	Junior	Steel Canyon HS
Annie Gillingham	Sophomore	Francis Parker MS
Brian Riel	8th	Joan McQueen ES
Frank JJ Riel	7 th	St. Columba ES

We hope all of the above is correct, but if there are any errors we hope to be notified, so we can make corrections.

- We have information from Birdy that Craig recently took the EMT (Emergency Medical Technician) test. The result is not yet known, but we hope it will lead to an AA degree from Mira Mesa.

July 4th celebrated at Hartman's

We are a little late with this report because of the large amount of travel news in the August RFNL. However, we now have room to tell the story of how the Hartman family celebrated Independence Day. Some family members and friends shared good food, conversation, and swimming in the pool (kids). Bruce showcased his latest new outdoor grill (very impressive) by cooking hamburgers, hot dogs, and sausages. There was plenty of other food, along with drinks and dessert. We had a great time, and thank Bruce and Birdy for the invitation.

September, 2002

Francie is 5 gallon blood donor

Recently Francie gave us a copy of a letter from the San Diego Blood Bank along with a certificate, copied as follows.

Francie is setting a good example for the rest of the family to follow, and we hope that everyone considers this civic duty.

The Sorum family recently acquired a new member. Say hello to Cabo, a Welsh Corgi puppy. Though Cabo is as cute as can be, and loves to play, she is not a very great watch dog. When I came in via the back door recently (see story on Bryce and his

drivers test, below) Cabo greeted me like a long lost friend, Perhaps she just has a good memory, and identified me as a former visitor. In any case, she is a welcome addition the family.

Bryce passes drivers test, buys new car!

Recently Francie asked Grandpa to go to the DMV with Bryce so he could take his drivers test. When I arrived at the Sorem home, at 7:45 for an 8:15 appointment, there was no response to the door bell. The lights were on, the TV was playing, but no one could be aroused. I went around to the rear patio area and found the rear door

unlocked, but guarded by Cabo, who greeted me enthusiastically. I found Bryce sound asleep, because, he said, his alarm failed to go off. However, we made the DMV on time and Bryce passed the drivers test with a perfect score. The test person wrote "outstanding" on the report.

Bryce also bought a brand new car, a Hundai, and we have a picture, as show.

1875 sold, new condo bought

Finally the home sale went through, and escrow closes on October 3rd. Also, Grandpa and Grandma bought a condo, located on Cirrus Street. It is one block north of Friars Road, just opposite the west-end of the Riverwalk Golf Course. The former owners, who are Iranian, invited us to dinner recently, and we had a chance to get acquainted and see the new place in more detail.

So far as we now know, the move will take place on October 3rd. Hopefully, however, we can start sooner. Some stuff has been boxed up and is ready to go. We will be hiring a mover to take care of the heavy things, and the rest will go by family members. We will need lots of help during the final days, so be ready. The termite tenting will be on September 9-11, while we are in Indian Wells on a much-needed vacation. We will return on the 13th.
